風格系列

科斯島是希臘的一座島嶼，同時它也是一個擁有悠久歷史的漂亮的港口城市。在島上，有着各式各樣的古希臘名勝古迹。古老的文明在這片土地裏生根發芽，與現代文明相互融合，交相輝映。

我們把這套沙發命名為科斯，除去為了體現它如希臘古迹般成熟穩重之外，更是希望他能經得起時代的考驗，沉澱出美好的芳華

Kos is an island of Greece, and it is also a beautiful port city with a long history. There are many places of interest in ancient Greece on Kos Island. The ancient civilization takes root and sprouts in this land, and integrates with the modern civilization.

Naming this sofa Kos is not only to show that it is as mature and stable as a Greek historic site, but also to hope that it can stand the test of the times and precipitate a beautiful youth.
