ROSEHILL  
山頂玫瑰

在高不可攀的山頂上，在無人問津的孤寂裏，她兀自驕傲地生長着。游龍般的枝蔓爬上了岩石，祇為目睹朝日的陽光，倔強地開放。扭曲的座椅扶手，是向外伸展着盛開着的花瓣，徑直的背板，是支撐着花朵的根莖。

On the top of the unattainable mountain, in the solitude of no one, she grows proudly. Like dragons, the branches and vines climbed up the rock, just to witness the sun and stubbornly blossom. The twisted armrest of the chair is a petal opening outward. The straight back plate is a strong support for the owners.
